

Feature Report

\$17,000 total | promoted for 6 months

Overview

When you have the need to capture full lead information, a Feature Report can meet this goal! In addition to lead generation a Feature Report is also a thought leadership opportunity that positions your brand around solving an industry challenge or issue. Feature reports are written by *The Hearing Review*. This ensures that the content won't be perceived as an "advertisement" written by the sponsor. Co-branded content written by our editors creates more credibility, therefore is more successful in lead-generation and positioning the sponsor as a thought leader in the industry.

We execute a full marketing campaign to driving traffic to our gated Resource Center pages where your report is hosted. We then provide the full contact information records turning all registrations into leads.

Sponsorship benefits from a Feature Report are numerous. Feature Reports are exceptional programs for branding, promoting the sponsor as a subject matter expert, generating leads, and provide great leave-behinds for your sales team or for use at trade shows.
